

30th FIPS-Mouche World Fly Fishing Championship 14-21 June 2010, Lesko-Polańczyk, Poland

Rules Modifications

FIPS-Mouche has appointed POLAND to be the host country for the 30th FIPS-Mouche World Fly Fishing Championship and Conservation Symposium to be held in Lesko, Poland. These Rule Modifications apply to the 2009 FIPS-Mouche Competition Rules.

Article 2 : General Information

2.2 Add : One session will be held on a lake sector, fishing from boats powered– if possible – by outboard motors and four sessions on river fishing from bank or wading. The Rotation of Groups is contained in **Annexe A.**

- Sector I (Myczkowce Reservoir) - boat fishing,
- Sector II (River Solinka),
- Sector III (River San - Lesko),
- Sector IV (River San - Postołów),
- Sector V (River San - Zwierzyń).

Article 9 : Bank Fishing Competitions

Add new 9.6 : Wading is allowed on the river sectors and chest waders may be worn.

Article 10 : Boat fishing

There will be two competitors per boat. Competitors may only fish while the boat is drifting freely and not under power or being rowed.

Boats may drift with the bow either to the left or to the right.

Drogues shall not be used.

Competitors may only cast in the area allocated in **Annexe B.**

Add new 10.11 : Competitors are required to wear their own life jacket whenever they are in a boat, or on a landing stage

Article 11: Duration of events, scoring and practice sessions

11.1. The event will be held in five scoring sessions.

11.3.1. Fishing will be conducted at h. 9.00-12.00 and 15.00-18.00, both on the rivers and reservoir.

Add new 11.5: All practice sessions will be catch and release

Article 21: Random draw for beats and boats

Add new 21.4 (e) The random draw for beats or boats, done by the pre-planned computer program to generate the random allocation of competitors to beats or boats will be kept secret till the departure of the busses to the sectors. The allocation to the beats/boats will, at that time, be posted on the information board and be given in each bus during travelling to the beats/boats.

Article 22: Care of fish caught

22.2 **Add:**The controller carries out his work from the bank or from an island (only in the case of indicated beats). Upon the request of the competitor the controller enters the island prior to start of fishing and remains there until the end of the session.

Article 24: Eligible fish

24.1 **Add :** Eligible fish species:

brown trout (*Salmo trutta trutta m. fario*),
rainbow trout (*Oncorhynchus mykiss*),
grayling (*Thymallus thymallus*)
huchen (*Hucho hucho*).

Size limits:

- Sector I (Myczkowce Reservoir) – 20 cm for all eligible species,
 - Sector II (River Solinka) – 20 cm for all eligible species,
 - Sector III (River San) – 25cm for all eligible species,
 - Sector IV (River San) – 25 cm for all eligible species,
 - Sector V (River San) – 25 cm for all eligible species.
- Measuring will be done from the tip of the nose to the end of the longest part of the tail.

Article 28: Flies

28.5. **Modify:** A maximum of **TWO** flies is permitted which must not be closer to each other than fifty cm, measured eye to eye, hanging freely.

Article 30: Prohibitions

30.1. **Modify:** The following is prohibited:

- (a) Fishing of competition sectors by competitors or their agents during a period of **30 days** prior to the official start of the event. This applies to competition and official practice waters.
