Fishing licences

To arrange the Czech state rod licences and fishing permits, we need to receive by e-mail a completed application form for every attendant and a copy of ID card or passport by the end of February 2025. The application form will be published on the website.

For any practice before the Championship, it is necessary to buy fishing permits, all details can be found on the website, we can help to arrange it in advance.

Rules modifications will be published on the website and will be explained and discussed during the Captains' meeting.

Competition venues

Description of all the venues including maps and pictures will be found on the website.

Practice

The fishing in competition sectors by competitors or their agents is prohibited during a period of thirty days prior to the official start of the event (from April 25, 2025) with one exception. The practice on Květoňov lake will be extended until May 3, 2025, when the last local competition will be held on the lake. Any attendant of the Championship is eligible to participate in the event.

Practice waters for all venues will be published on the website.

Dear friends, we hope you will enjoy our Championship and we are looking forward to seeing you in the Czech Republic in May 2025!
