

# Championship Guidelines

Ver 2019

*FIPS-Mouche International Sport Fly Fishing Federation*

---

## **Applications (bidding docs)**

**Reference:** Competition Rules Article 3.1

**Comment:** Standard format of application should contain as much detail as possible especially of the fishing and the proposed participation fee.

**Example:** [Application](#)

---

## **Inspections**

**Reference:** Competition Rules Article 3.5

**Comment:** The Inspection Agreement forms the basis of the Inspection and shall be studied by Organizer before the Inspection Team arrives, filed-in and signed at the end of the inspection by Organizer and FIPS-Mouche representative. The Host Country is responsible for transport, accommodation and all expenses within the country. FIPS-Mouche funds the travel costs to the country up to the: international airport (flight), main station (train) of place of inspection (in case own car used).

[Agreement](#)

---

## **Standards**

**Reference:** 'Future Strategy' updated from General Assembly, Croatia

**Comment:** This document discusses the background to the development of FIPS-Mouche and the future policies with regard to criteria of fishing, standards of food and accommodation. It introduces the concept of International sponsorship.

[Future](#)

---

## **Budget**

**Reference:** 'Budget Template' Presented and agreed at General Assembly, Valladolid 2001

**Comment:** The concept and draft document envisages the agreement of a budget between the Host Country during or immediately after the inspection. This document, when all details are known, becomes the basis for setting the participants' fee and subsequently for review and audit after the event. The template itself is currently being modified.
