Dear President

FIPS-Mouche kindly invites you to attend the 2022 General Assembly to be held in Acapulco , Mexico. Our General assembly is part of the 43rd CIPS Congress.

The CIPS Congress will most probably be held on location in Acapulco, albeit that a final decision will be taken by the CIPS presidium in the coming days / weeks, the alternative being a video conference meeting.

The Agenda of an Ordinary General Assembly was established as foreseen in Art 8.17 of the FIPS-Mouche Statutes:

1. General Assembly Opening
2. Determination of the quorum
3. Approval of the Agenda
4. Report by the Treasurer
5. FIPS-Mouche Board Report
6. Discussions of Reports
7. Approval of FIPS-Mouche Board Activities
8. Discussion of proposals and the allocation of championship venues
9. Admission of new members
10. Discussion of topics submitted by members
11. Final observations.

Some points from Art 8.17 were left out of the agenda of this GA as it is a non-elective year for Board and Technical Committee, nor will Competition Rules and Statutes be amended as this only done every 2 years.

Members are invited to propose topics for discussion during the GA. These proposals should be sent to the General Secretary before 1st April. These items will be added to the agenda.

We are still looking for member wishing and willing to organise 2024 Masters, Ladies and Youth championships. If you are a candidate organiser please send a championship application document . The template is available on the [FIPS-Mouche website](#) .

The final agenda for the General Assembly shall be sent out to members no later than 15 April 2022.
