

FIPS-Mouche
International Sport Fly Fishing Federation

To President of Fédération Internationale de la Pêche Sportive Mouche

Subject:

1. Participation to CIPS Congress and FIPS-Mouche General Assembly 2023
2. Verification of member data regarding your federation
3. Championship applications for 2025, 2026, ...
4. Motions, proposals for alterations to competition rules and the statutes

Dear Mr.President

FIPS-Mouche has started the preparation of 2023 activities and thus is informing its members regarding the points listed in the subject of this letter. Please provide the requested information in due time (end of Dec 2022) so the board can adequately prepare and have a smooth and fruitful general assembly in Sofia. 2023 is a non-elective year, rules and statutes are up for revision and your federation's input is welcome.

1. Participation to CIPS Congress and FIPS-Mouche General Assembly

As you may already know the intention is to hold the annual CIPS congress in Sofia, BULGARIA from 27 to 29 April 2023.

The agenda FIPS-Mouche General Assembly will be sent 2 months prior to the meeting.

2. Verification of FIPS-Mouche member data

As General Secretary I am responsible for keeping our members database up to date. Please verify if the data below are still valid. If not please send me the corrections.

This data is be very important as all official communication goes to these persons. Should we be required to hold a general assembly online in 2021 these e-mail addresses will be particularly important to establish correct online communication.

Some members may receive this e-mail twice. This will be the case if you fulfil both president and SPOC functions.

3. Championship applications for 2025, 2026, ...

The current calendar is available on our website in the championships section.

If your federation is interested and wishes to take up the challenge of organising one or more (double / triple event) of these championships, please provide us the championship application document. You may find a template of this document on our website in the [“Rules”](#) section. The application needs to be provided before the General Assembly so it can be presented to the members, discussed and a decision on the awarding of the championship may be made.

4. Motions, proposals for alterations to competition rules and the statutes

Motions to be discussed during the GA according to article 8.8 of the statutes should be submitted to the General Secretary.

Any proposals for alterations to the competition rules (article 8.10 of the statutes) should be addressed to the General Secretary. He will make sure it gets to the Technical Commission. The 2021 editions of the competition rules and the statutes are available on our website.

All of the above should be sent to FIPS-Mouche no later than end of December 2022.

Kind regards

Stefan Allacker
General Secretary
