**Subject: New rules 2023 application at the FIPS-Mouche championships in 2023**

As you might know at the last General Assembly of FIPS-Mouche at the occasion of the CIPS congress (held in May in Rome, Italy) approved a set of new competition rules, that is to be applied with an immediate effect.

However due to the fact, that there are championships with already pre-approved Rule modifications, that were already published (before the congress was held) and organizers and competitors are already stucked to them, Board decided to leave them unchanged. All other new Rules (not mentioned/overruled in Rule modifications) are fully to be applied at all FIPS-Mouche championships.

Please find below a document with all new rules (marked with yellow color).

Best wishes  
Mario Podmanik  
FIPS-Mouche President
