

Curriculum Vitae

Personal Information

Last Name(s) / First Name(s)

Martinho, António Manuel Vilela

Address

Praça Nossa Senhora da Conceição, Lote 4 – 1º Direito, 5000, Vila Real, Portugal

Phone number(s)

259325442

Cellphone: 917643397

Identity Card number

6059023 – Issued in Vila Real

Taxpayer number

175241376

Correio(s) electrónico(s)

antonio.martinho@icnf.pt (professional) and amvmartinho@gmail.com (personal)

Nacionality

Portuguese

Date of birth

05.03.62

Sex

Male

Main activities and responsibilities within the scope of functions performed

Senior Technician at the REGIONAL DIRECTORATE FOR NATURE CONSERVATION AND FORESTS OF THE NORTH/DIVISION OF EXTENSION AND FOREST COMPETITIVENESS OF THE INSTITUTE FOR CONSERVATION OF NATURE AND FORESTS specialized in River Ecology and Management of Aquaculture Resources in Inland Waters

RIVER ECOLOGY AND ORDINANCE AND MANAGEMENT OF AQUACULTURAL RESOURCES (Main Activities).

Author of several scientific articles and several presentations at Congresses, Symposiums, Lectures and, among others, in Seminars within the scope of River Ecology and Management of Recreational and Sport Fishing in Inland Waters:

III Recreational and Sport Fishing Management Plan for the Reserved Fishing Zone of the Olo River (2023)

Management and Exploration Plan for Recreational-Sport Fishing in the Recreational Fishing Zone of the Baceiro River (2023)

Management and Exploration Plan for Recreational-Sport Fishing in the Recreational Fishing Zone of the Homem River (2022)

Management and Exploration Plan for Recreational-Sport Fishing in the Recreational Fishing Zone of the Âncora River (2022)

Management and Exploration Plan for Recreational-Sport Fishing in the Recreational Fishing Zone of the Mouro River (2021)

Recreational-Sport Fishing Management Plan for the Recreational Fishing Zone of Albufeira do Alto Rabagão (2019)

Recreational-Sport Fishing Management Plan for the Recreational Fishing Zone of the Mente River (2020)

Recreational-Sport Fishing Management Plan for the Recreational Fishing Zone of the Rabaçal River (2020)

Recreational-Sport Fishing Management Plan for the Recreational Fishing Zone of the Tuela River (2020)

1st Management Plan for Sport Fishing in Mountain Rivers in Portugal, whose conceptual model was based on the project of the Reserved Fishing Zone of the Olo river (around 44 km and its tributaries).

Academic and professional education	<p>In 2009, completed the Master's Thesis on the theme "Sustainable Management of Trout Populations (Salmo trutta): The Case of the Olo River" - UTAD/Vila Real</p> <p>In 1994, completed the postgraduate degree in Forestry Production Engineering, taught at UTAD/Vila Real</p> <p>In 1990, completed the degree in Forestry Engineering, taught at UTAD/Vila Real – Curricular Internship: "Food Habits of the Roe Deer (Capreolus capreolus L.)"</p> <p>From 1991/01/07 to 1991/02/01, completed the 140-hour "Trainer in Agricultural Accounting" Course, taught by MAPA, at the CNFT in Gil Vaz – Pegões</p> <p>On 02/10/1994, completed the Forest Phytosanitary Inspector Course, lasting 15.30 hours, taught at CNPPA by the Institute for the Protection of Agro-food Production</p> <p>From the 3rd to the 7th of April 2006, participated in the 35-hour "Captive Hunting Breeding" Course, taught at COTF, Lousã, by DSCPAI/DGRF</p> <p>Between the 4th and 7th of September 2003, completed the "Access – Level 1" Training Course, lasting a total of 24 hours</p> <p>From 21 to 1996/10/31, completed the 70-hour "Conduction of Pinheiro Bravo Settlements" Course, taught at the Alves Teixeira Professional Training Center, Vidago</p> <p>Course "Positioning with GPS and Integration in Digital Systems" – UTAD, 35 hours, from 11 to 2003/11/15</p>
Main responsibilities within the scope of the functions already performed	<p>FOREST MANAGER OF TÂMEGA (HEAD OF DIVISION), IN THE FOREST MANAGEMENT UNIT OF TÂMEGA, (counties of Amarante, Mondim de Basto, Celorico de Basto, Cinfães, Resende, Cabeceiras de Basto, Ribeira de Pena, Castelo de Paiva, Penafiel, Marco de Canavezes, Paços de Ferreira, Paredes, Felgueiras, Baião and Lousada):</p> <p>Founder of Rádio Universidade Marão (RUM) – Cooperativa de Radiodifusão, C.R.L., having been a Member of the Social Bodies (Secretary of the General Assembly of RUM) and, between 1988 and 1990, held the position of Director of that media outlet, having coordinated the team that created the legalization and modernization process of that Radio;</p> <p>Advisor to the Supervisor of the Douro and Távora Agricultural Zones Group (Superior Order no. 18/DIR/97).</p> <p>Temporary Teacher of the IV Group, having taught the subjects of Geography and Natural Sciences in the 6th and 7th years of Schooling and Pedagogical Support in Mathematics (6th Year)</p>
Congresses, Colloquiums, among others	<p>Seminars, Workshops,</p> <p>XI Symposium on the Minho River Basin (Vila Nova de Cerveira, 2023) – as a participant and speaker and author of an article within the scope of Fisheries Planning and Management in the Leisure Fishing Zone of the Âncora river.</p> <p>Technical-Scientific Conference on River Fish – as speaker and author of an article within the scope of the Planning and Management of Fisheries in Inland Waters.</p> <p>8th and 9th National Forestry Congresses – as a participant and speaker and author of posters within the scope of Fisheries Planning and Management in Inland Waters (2017 and 2022);</p> <p>X Symposium on the Minho River Basin (Vila Nova de Cerveira, 2021) – as a participant and speaker and author of an article within the scope of Fisheries Planning and Management in the Leisure Fishing Zone of the Mouro River;</p> <p>(...)</p>

**Congresses,
Colloquiums,
among others
(Continuation)**

**Seminars,
Workshops,**

Hunting and Other Earthly Products Fair (Macedo Cavaleiros, 2006)

Norcaça & Norpesca (Bragança, 2006)

Workshop on the theme "Trout Fly Fishing", promoted by the Brigantina Fishing Association - Bripesca – Bragança (2003);

Seminar "Recovery of Hunting Heritage" (Norcaça - Bragança, 2003)

Forestry Techniques Journeys of the Trás-os-Montes Forestry Delegation – DGF (Vidago, 1995)

Seminar "Living with Trees" (Porto, 1994)

Colloquium "Forest Development of the Trás-os-Montes Region in Economic, Social and Ecological Aspects" (Vila Real, 1993)

"Vale Tâmega Forest Potentials and CAP Reform – Forest Measures" (Chaves, 1993)

Seminar "Hunting – A valuable resource" (Lisbon, 1989)

Symposium "The Forest and the Planning of Mountain Space" (Vila Real, 1988)

"Meeting of Soutos and Castiçais" (Castelo de Vide, 1987)

"1st National Forest Congress" (Lisbon, 1986)

Internship and Masters Co-orientation

Master's Thesis in Forestry Engineering – UTAD, in preparation: Spatial patterns in the diversity of aquatic communities in the Mouro river basin (NW Portugal), by André Gomes (Graduate from UTAD in Forestry Engineering) (2024)

Master's Thesis in Forest Resources Management - IPB: Recreational Fishing in the Northeast of Trás-os-Montes: Assessment of the perceptions and attitudes of anglers in the Montesinho Natural Park and surrounding area (2022), by Rosalina Gomes Pereira

Final Thesis of the Forestry Engineering Course - UTAD: Definition of sustainable leisure-sport fishing strategies based on the structure of macroinvertebrate communities in the Mouro River basin (2022), by André Gomes

Final Thesis of the Forestry Engineering Course - UTAD: Assessment of the fishing communities of the Baixo Sabor reservoir and definition of awareness-raising and environmental education strategies for the conservation of native species (2021), by João Luís Macário Fernandes

Final internship of the Forestry Production Engineering course – Escola Superior Agrária de Castelo Branco – "Phytosanitary Inventory of the Forest Perimeter of Montalegre" (1996), by António Manuel Pereira Dinis

Final internship of the Forestry Engineering course – Escola Superior Agrária de Bragança – "The Hunting Ordinance in the Area of Jurisdiction of the Northern Forestry District – Trás-os-Montes", by Catarina Sofia Clemente Salgueiro

Other Publications and Works Presented

In July 1994, as part of the Seminar of the Master's Course in Forestry Production Engineering, he publicly presented the work on the theme "Aerial Phytosanitary Treatments against the Pinheiro Processionária, Thaumetopoea pityocampa, Schiff., in Trás-os-Montes" (unpublished)

Report "Fishing Potentials in Inland Waters in the Area of Jurisdiction of the Northern Forest District", CFN/DGRF, Vila do Conde, 2004 (unpublished)

Co-author of "Fishing in the Inland Waters of Entre Douro e Minho", AGRIS Project nº2003100037518, ARNPD, March 2008

Participation in other projects

Founder of Rádio Universidade Marão (RUM) – Cooperativa de Radiodifusão, C.R.L., having been a Member of the Social Bodies (Secretary of the General Assembly of RUM) and, between 1988 and 1990, held the position of Director of that media outlet, having coordinated the team that created the legalization and modernization process of that Radio

Producer and Director of several radio programs – before and after its legalization

Participated in the video of Rio Paiva, Portugal | Water Quality, Alice Project

Collaborated on the video of Rio Paiva, Portugal | Maintenance of river continuity, Alice Project

Participated in the documentary “*Río Olo - the Portuguese laboratory*” – Canal Caza y Pesca (2021).

Sports activities

Affiliated in Portuguese Federation of Sport Fishing – Modality: Fly Fishing

Athlete of the Competitive Fishing Group – Vila Real, having represented this Club uninterruptedly since 2001 in the Regional and National Championships (Individual and Teams), in Course Angling

Individual Regional Champion of the 2nd Division of the Fishing Association of Trás-os-Montes and Alto Douro (1998), representing the Clube Vilarealense de Pesca Desportiva.
