### STATEMENT OF INTERESTS:

I have no business interests connected to fishing or any consumer products, as I work in a B2B environment in the printing industry, while I have been doing voluntary activities on behalf of our association, i.e. General Association of Hunters and Sport Fishermen from Romania (A.G.V.P.S.R.) since 2000 and I have been a longtime organizer of various fishing competitions and of the National Flyfishing Championship.

It is my intention to bring consensus and help all opinions be heard in every meeting, with no preconceived ideas nor advocating any side, to the benefit of our beloved sport and enjoyment of all those involved, enhance the awareness and attractivity of the fly fishing sport including to the younger generation, promote fair, inclusive and friendly competitions, in compliance with the applicable codes and with respect to the natural environment.

### I. CAREER and professional activities:

- Founder and general manager since 1991 of companies under Grup Transilvae, former Apple distributor in 1993, now a distributor of large format digital printing & finishing equipment as well as services for the graphic industry till present day, 2024
- Member of the board of ECOTIC, the largest Romanian organization for collecting and treating Waste from Electrical and Electronic Equipment (WEEE), on behalf of more that 700 companies
- Administrator of Aqua Eco Tour, an incoming tour operator in the Danube Delta 2000-2004
- Responsable du Centre de documentation et d'information, Centre Culturel Francais de Cluj, chargé des presentations pour les delegations economiques de la France en Transylvanie, aussi que la participation de la Roumanie au Salon de l'Aménagement en Montagne de Grenoble 1991-1993
