

Inspection Agreement

Ver 2022

FIPS-Mouche International Sport Fly Fishing Federation

Inspection agreement for the

42. FIPS-Mouche European Fly Fishing Championship, 2024, Poland, Lesko.

This is an agreement (in double) on the organisation of a FIPS-Mouche Championship, signed by the representative of the Host Country Federation or Organisation, responsible for the correct enrolment of this championship following the most current FIPS-Mouche Competition rules, Statutes and the FIPS-Mouche Guidelines.

FIPS-Mouche requires a minimum of six (6) complete teams to have a valid FIPS-Mouche Championship.

The IO requires a minimum of 15 (twentyfive) for the championship to be financially feasible. Should this minimum number not be attained, the championship will be cancelled in common agreement between both parties above (Art 1). This decision must be taken at least six (6) months before the start of the championship.

17 (seventeen) teams are expected to take part in the championship.

A maximum of eight (8) members is allowed per team (6 athletes, 1 captain, 1 manager). Extra delegation members shall be registered as accompanying person.

There will be 2 (two) FIPS-Mouche board members present. FIPS-Mouche will provide the names of these members at least 6 months before the start of the championship.

FIPS-Mouche will provide International Supervisors for all “bank” competitions.

Some guests of honour and guests are expected to attend. The number at the time of the inspection however was unknown.

Article 4: Accommodation for teams and FIPS-Mouche personnel

The IO provides accommodation in the hotels listed below during the official programme of the championship. The first hotel is the Head Quarter (HQ) of the championship.

Name	Official grade	Double rooms	Single rooms	Total beds
1. Hotel Salamandra	***	35	2	72
2. Hotel Gawra	***	25		50
3. Chalets Gawra	*** (6x6)			36
4. Hotel name 4				0

All hotels are located within 10 minutes walking distance of each other. If not, the organiser will organize transport to and from the main hotel for all activities related to the championship.

All in-country cost related to the presence and activities of the FIPS-Mouche Board, arriving 1 day(s) before the official programme and the International Supervisors for the whole duration of the official program of the championship will be included in the budget of the championship.

The FIPS-Mouche Board members (in single rooms) and the International Supervisors (in twin bedded rooms) will be accommodated together in the main championships hotel, where meetings, draw, results, meeting/secretary rooms are and where are all facilities for printing, producing and showing of the results.

The IO will make the necessary arrangements for early arrivals of teams (contact details and facilities available). The IO will publish accommodation facilities for early arrivals on the championship website.

The IO will insure, that national flags of participating are flown throughout the championship at the HQ hotel.

Article 5: Accommodation necessary for running of championship

The IO will provide 2 meeting rooms:

- 1 for inputting of results and for jury meetings (capacity 10+),
- 1 for captains meeting (capacity of 40+).

The IO will make sure that all these rooms have internet connections.

The IO will provide a championship registration office (CRO) in the main championship HQ hotel. The CRO must have easy access for all registrants (FIPS-Mouche, teams, guests) Opening hours will be published on the championship website.

Article 6: Competition sectors

Sector	Type	Name	Beat length Avg	Buffer zone	Fish species
I	Boat	Myczkowce (lake)		No	all 20 cm+
II	Bank	San Zwierzyn (dry, river)	150	No	salmonids 25+
III	Bank	San Lesko (river)	150	No	salmonids 25+
IV	Bank	San Postow (river)	150	No	salmonids, 25+
V	Bank	San Sanok (river)	150	No	all 20+ cm+

The IO will publish a map on the championship website with clear identification of the boundaries (GPS longitude and latitude) of the competition sectors on the championship website at least 60 days before day 1 in the official programme.

For practice a buffer zone of at least 100 meters will included above and below the boundaries of the competition sectors.

Article 7: Practice waters

Name	Species	Type
San / Sanok	salmonids and white fish	River

San / Myczkowce	salmonids and white fish	River
San / Dynow	salmonids and white fish	River
		River
		River

All waters outside the competition sectors are available to the teams for practice.

The IO will publish on the championship website map of recommended practise waters, possible restrictions, requirements for licences, contact list of sale points for licenses (with opening hours if applicable), guides, flyfishing shops in the area, and other relevant information.

Article 8: Draw (Cfr Competition Rules Article 2.1)

FIPS-Mouche will conduct the secret draw during the captain's meeting, establish the colour coded groups table and prepare the envelopes with the draw results for the sessions and sectors.

The IO will provide projector and equipment for the draw allocating numbers to teams and letters A to E for each member of the team.

The IO will provide required office equipment: a fast colour printer, 30 A4 envelopes and 100 pages of A4 printing paper, stapler, paper clips, markers, pens, ...etc.

The IO will provide the championship logo in a JPEG format. FIPS-Mouche will include this logo on all championship documents.

The IO organizer will provide coloured lanyards (iaw colours in groups table) and accreditation badges for all athletes, captains, managers, accompanying persons, FIPS-Mouche officials and all official organizational personnel (sector judges, beat controllers, IO and assistants, ...etc)

Article 9: Rules modifications

The rules modifications will be established in common agreement between both parties. After finalization they will be published on the championship website and the FIPS-Mouche website, ideally not later than 7 months before the championship.

Last minute changes to the Rules Modifications may only be initiated by the International Organiser and the Senior FIPS-Mouche Representative present at the championship.

Article 10: Scoring and Results

The IO will ensure swift transmission of the scoring cards from the sectors to the FIPS-Mouche office at the venue main hotel or any other designated place. In practice they will return with the groups returning to the HQ hotel. The results will be brought directly to the designated room for inputting of results, in ascending order of the beats.

The IO will use scoring cards in accordance with the FIPS-Mouche Template (carbon copy). This template is available in the guidelines section of the FIPS-Mouche website.

The IO will provide an information board for the display of the results in a public area in the HQ hotel. The information board should be able to display approximately 50 pages A4. The IO will publish the results on the championship website within 30 min after transmission by FIPS-Mouche.

FIPS-Mouche will publish the results on the FIPS-Mouche website.

The IO will provide office equipment: a fast colour printer, 400 pages of A4 printing paper, stapler, paper clips, markers, pens...etc.

Article 11: Transport

The IO will arrange transport to and from point of entry/departure in the host nation country to the venue of the event for all FIPS-Mouche officials (board members and international supervisors).

FIPS-Mouche will organize arrivals at airports to be at approximately same times.

The IO will provide transport for FIPS-Mouche board members for visiting the competition sectors during the event.

The IO will provide adequate transport for the teams between the main hotel to the competition areas. If the distance between competition designated hotels is too far (more than 10 minute walk) the IO will also provide transport between these hotels and the head quarter hotel.

The IO will organize the transport ensuring that athletes arrive on their beat at least 30 minutes before the start of the session. (Art 9.4 of the CR)

Article 12: Ceremonies

All media rights for FIPS-Mouche Championships are owned by FIPS-Mouche exclusively.

The IO will organise 2 ceremonies: 1 opening (day1) and 1 closing (day6). On both ceremonies the last speaker shall be a FIPS-Mouche board member. He will officially "open" and "close" the championship.

Only two medal ceremonies (1 individual and 1 teams) are authorized and permitted. They will held be at the closing ceremony of the championship. No other types of presentations will be allowed during the medal awarding ceremony of the Championship.

Providing of a sound system and loudspeakers is a responsibility of the IO.

The medals for teams and individuals, will provided by FIPS-Mouche. They shall be handed over to the International Organiser at the start of the championship.

The IO ensures that national anthems of the team and individual gold medallists are available and will be played at the medal ceremony.

The national flag of gold, silver and bronze medallists will be raised during the playing of the national anthem of the gold medallist.

The IO will provide a podium in 3 levels for gold, silver and bronze medallists, large enough for teams as well.

Article 13: Conservation Symposium (only for world championships)

The IO will organize a conservation symposium (Art 2.5 of CR). The subject needs to be approved by FIPS-Mouche and after approval the topic will be published on the championship website.

Article 14: Guest Programme

The IO will provide a guest programme for accompanying persons. The programme will be specified on the championship website.

Article 15: Budget and Finance (Cfr Competition Rules Article 6.1(e))

The IO will provide a detailed budget in accordance with the template provided in the FIPS-Mouche guidelines in order to calculate the estimated cost per participant.

The cost per participating team members:

1. Salamandra (hotel) 1 250,00 € (thousand two hundred and fifty Euro).
2. Gawra (hotel) 1 200,00 € (thousand two hundred Euro).
3. Gawra (lodge) 1 200,00 € (housand two hundred Euro).

The cost for participating guests:

1. Salamandra (hotel) 850,00 € (eight hundred and fifty Euro).
2. Gawra (hotel) 800,00 € (eight hundred Euro).

The cost may vary in accordance with the comfort level of the different accommodation selected by the organiser. Available options will be published on the championship website by the IO.

In case of a senior World FIPS-Mouche championship a required anti-doping tests (4 pers) of +/- 1250€ should be budgeted by the IO.

The IO will pay fees to CIPS and FIPS-Mouche. FIPS-Mouche will provide an invoice for the amount due:

- **25 € FIPS-Mouche fee per registrant** to be paid by Hosts to FIPS-Mouche:
FIPS-Mouche bank details:
