Edoardo Ferrero, 2nd Vice President & Stefan Allacker, General Secretary and international supervisors : Roberto Malinverni (ITA) as head, Miroslav Zaberl (SLO) Thierry Hockers (BEL), Claude Strotz (LUX) and Grzegorz Skurzinsky (POL).

Selection of Jury

International Organiser Fabien Domenge , the two FIPS-Mouche rep's, head of IS team Roberto Malinverni and captains Glade Hunter (USA), John Buckley (IRL) and Tino Groentjes (NED)

Programme : see championship website details in the brochure that was part of the welcome package.

IO gave overview of the organisation. In particular the bus schedule and the pick-up points were explained .

Make sure everyone gets onto the right bus. Importance of colour codes. Coloured group identification tags provided should be worn visibly on the competitor's accreditation badge. Teams members must carry their accreditation badge at all times during the competition.

Overview of sectors : see website and welcome brochure.

Beat markers will be placed somewhere on the beat, the upper and lower limit will be markers with banners.

Transport will be by bus or mini-bus, controllers private car and by walking (lake sectors)

Draw

The draw was completed and saved on the secure FIPS-Mouche PC. Groups table print-out will be distributed to the captains. Also published on championship website and FIPS-Mouche website.

Rules modifications : Eligible species

On river Tet only brown trout is eligible due to a release of rainbow from hatchery at only a couple of beats. Maintaining rainbow trout as eligible would lead to unfair competition.

It was unanimously decided that on the lakes all salmonids are eligible (brown trout, rainbow trout, brook trout, dolly warden, lake trout)

Communications (AOB)

Official bulletin board will be in the Chalet des Airelles in the area where the registration took place. Publication the championship website and on the [FIPS-Mouche website](#) in the championship section and on the [championship site](#).
