FIPS-Mouche

**Subject: Proposal of candidates to Technical and Athletes commissions of FIPS-Mouche**

Dear board members,

on behalf of Fly Fishing Board of Czech Anglers Union we would like to propose following candidates to Technical and Athletes commissions:

**Technical commission: Jiří Pejchar**

„I have been working as a manager of Czech National Teams from 2008 on Youths, European and World Championships. I was organising together with Milan Hladík twice Youth Championship, twice European, ones Worlds and ones Ladies and Masters. From 2017 I am a chairman of Czech Flyfishing Board. I was working as a member of Technical commission last four years and I would like to continue and help with my experiences.“

**Athletes commission: Tereza Rutová**

„I am a member of the Czech National Women's Team. I have been competing in fly fishing since 2007. I have participated in one Youth World Championship (2012), two European Championships (2011 and 2018) and three Women's World Championships (2022, 2023 and 2024) as a competitor and one World Championship (2014) and one Youth Championship (2019) as a sector judge. I would like to be part of the FIPS-Mouche Athlete's Commission and have the opportunity to represent the voice of all anglers.“

Thank you in advance for considering our candidates.

Best Regards
